

Happy Thanksgiving Madrigal Singers and Parents! 🦃🍷🍁😊 Please check out all of the details for our upcoming events on Saturday, December 11th & Thursday, December 16th.

**Saturday, December 11th - Winter Sounds @ Michigan Legacy Art Park (near Crystal Mountain)** Students should arrive by 12:00 for a rehearsal followed by a pizza lunch and social time. Parents are welcome and encouraged to spend the afternoon with us. Exact activities are still to be determined based primarily on the weather. We could really use a few parents who would be willing to transport us from the Art Part to the Crystal Mountain property (the Art Park is on the opposite side of the mountain). Singing will begin at 5:00. Please see the Flyer and Press Release below for more details. Parents who are not staying, but plan to transport their own student should plan on picking them up at 6:00. Please make sure students dress in layers and have hats and gloves and appropriate outerwear depending on the weather. If it's not too cold, we might try to perform in our new jackets. We may be spending a significant portion of the afternoon outside. For more details, please read the [Winter Sounds Press Release](#).

**Thursday, December 16th - Mix & Mingle @ Traverse City Presbyterian Church**

Students should arrive by 5:00 dressed in formal concert black attire. Doors open at 5:45 with the show beginning at 6:00. Performances will end around 8:00. Students should eat dinner before coming. Mix & Mingle is an open house-style concert featuring all of our co-curricular vocal ensembles who will perform music of the holiday season. Trattoria Stella will provide each grouping of guests a charcuterie box that can be enjoyed at your reserved table, or taken home to be consumed as you relive memories of this special evening.

Mix and Mingle is a fundraiser for West Senior High School Choirs. There will be a silent auction so guests can work on some of their seasonal gift-giving needs as well! There's even an option for people to participate online. If you are interested in attending Mix & Mingle here is the [link for purchasing tickets](#) or call 800-836-0717. Tickets are \$25 + processing fee. Mix & Mingle is sure to put even the Grinchiest person in the holiday spirit!

Sincerely,

Emerick Dee
